

Planning Forester or Technologist

Geoterra Integrated Resource Systems Ltd. is a British Columbia-based company that provides consulting services to the natural resource sector and related industries. We are a leader in the provision of technical expertise and information within the industry and pride ourselves on providing safe, efficient, and effective services.

As part of the **CCI Group of Companies**, Geoterra has established itself as a primary provider of highly qualified and experienced forestry, environment, engineering, and pipeline construction specialists working together as a team to bring an integrated and complementary approach to each project. We operate with integrity and ensure our clients receive service with intention.

Location: Vancouver, Prince George, Fort St John, Fort Nelson

Summary of Position:

We are looking for a high achiever who wants to positively impact the way our natural resources are managed. This position requires someone who is passionate about planning and resource development and working with local and Indigenous communities. This person should be data-driven, a fast adapter of technology, and able to communicate effectively verbally and in writing to diverse audiences.

This position will be responsible for working with our clients to manage their tenure obligations and plan forest development, harvesting, and silviculture activities. Well-rounded, organized individuals will excel in this role.

Key Accountabilities:

- Forest Development Planning
- Stakeholder consultation
- Cutting permit applications
- Report writing and general office tasks
- This position will require frequent travel throughout BC
- Compliance with all company safety policies and general company policies

Qualifications

- Registered Forest Professional (RFT or RPF).
- Minimum of two years experience with forest planning, appraisal, and cutting permit development
- Experience with FESBC and other provincial funding opportunities.
- Experience with Indigenous organizations and community forests is an asset.
- Valid BC driver's license.
- Working knowledge of the BC regulatory system.

Salary: \$75,000 - \$90,000 annually.

CCI Inc. has been named one of Canada's Best Managed Companies for the tenth year in a row. Our environment team is more than 100 people strong, and our company has grown to more than 250 people.

We thank all applicants for their interest. However, only those selected for an interview will be contacted.
